This is Frida Kahlo.

She was born in **Mexico** about one hundred years ago.

Frida was an **artist**.

She tells us about her life in her pictures:

about her **family** and the **Blue House** in which they lived,

about her husband **Diego**,

about **Mexico**, her native land, which she loved very much,

and about **America**, where she and Diego lived for a while.

Frida often painted **herself** too.

How beautiful she was!

In this book you will find lots of pictures by Frida Kahlo

that you can color and complete.

Use your favourite colors

and paint the pictures as you would like to see them!

This is Frida with her pet monkeys.

Frida loved animals. Color the birds.

Why don't you draw even more animals?
