

I am furious.

I'm seeing **RED**.

I'm filled with rage.

A storm's ahead.

I'm blinded by fury.  
I'm furiously mad.  
But I can see clearly  
that change is ahead!

I am wild and  
untamed.

I holler  
and  
roar.

I'm a  
furious  
dragon  
you  
cannot  
ignore!

I am  
hurricane,  
whirlwind,  
twister,  
typhoon.

Thunderstorm,  
lightning,  
tornado,  
monsoon.

My anger is loud.

My anger's a force.

It's the start of a journey  
that leads to new shores.
